1 Your Merchant Facility Agreement.

This booklet sets out the standard terms and conditions that apply to the acceptance of Cards under various types of Merchant Facilities provided by us.

If you accept our offer, as described below, your legally binding contract will comprise of the following information and documents, as amended from time to time:

- this booklet;
- the brochure “Your Guide to Merchant Fees and Charges” (which sets out standard merchant fees and charges);
- the brochure “Protecting Your Business Against Credit Card Fraud”; and
- the brochure “Your Guide to the Payment Card Industry Data Security Standards”

Together with your offer letter or email and fee schedule, these documents and information comprise your legally binding contract with us (Agreement).

Keep in mind that we have a number of Merchant Facility products. Some of these products require you to enter into a Merchant Service Agreement (MSA Contract). If we agree to provide you with one or more of these products, your legally binding contract will consist of the MSA Contract, this booklet, and the information we give you when we make the offer. It could include any other documents we use to notify you that will govern your use of that product(s), (including – but not limited to – a product module).

Under this Agreement, you also must meet:

- the requirements set out in the Manuals or guides we give you from time to time (we may provide such documents to you electronically); and
- the conditions set out at bankofmelbourne.com.au/preauthorisation

This Agreement will become binding in any of the following ways:

- a) by starting to process Transactions through the Merchant Facility;
- b) by taking delivery, either of any Equipment enabling the processing of Transactions under the Merchant Facility; or
- c) if you are an eCommerce Merchant, or accessing and using the eCommerce Merchant Facility for the first time; or
- d) if you are an eCommerce Merchant using an Accredited Gateway Provider/data processor, by obtaining a MID and Merchant Category Code.

If you accept our offer as set out above, you agree:

- i. to always fulfill your obligations set out in the Agreement and any Manuals or guides we provide to you; and

- ii. to carry out any reasonable directions and authorities we require of you to implement any of your obligations under the Agreement.

If you do not wish to accept our offer of a Merchant Facility, you must immediately call our Merchant Helpdesk (or contact your Relationship Manager) to withdraw your application – so we can cancel your MID.

If you have not contacted us to withdraw your application within fourteen (14) Business days after the date of the offer, whether in a letter or some other way – we will consider you to have accepted our offer. This is even if you have not done any of the things set out in section 1 (a), (b) or (c).

If we approve a subsequent application from you for another type of Merchant Facility, the terms and conditions set out in our letter for that Merchant Facility will apply not the Agreement.

Information on current standard fees and charges is available on request.

3 Equipment.

You must at your expense, prepare (and keep prepared) at your premises a site which meets our specifications for the installation of Terminals as outlined in this booklet, and your Terminal User Guide. This includes things such as a power supply or telephone line, if applicable, for the use of your Equipment in accordance with the Manuals and any technical documentation from the manufacturer or supplier of the Equipment.

You will allow (and where applicable ensure you have the right to always permit) our representatives to enter your premises and access the Equipment to install, move, maintain, repair, replace or remove the Equipment (or to ensure that you are complying with the Agreement), during business hours or at any other reasonable time. We may do this even if it disrupts your business activities, provided we are acting for a reasonable purpose.

Upon initial installation of a Terminal, we will provide training either face-to-face, online or via the phone, on the use of the Terminal to the individual(s) you designate. These people must be available at the time of installation. You are responsible, at your cost, to train all employees, contractors or agents who access the Terminal. You must not permit any untrained or unauthorised persons to operate or otherwise use the Terminal.

If a Terminal malfunctions, or for any reason is not able to process Transactions, you can try out the basic troubleshooting steps on our website bankofmelbourne.com.au/eftposhelp and if the problem is not resolved, then, you should report it immediately to us. We will try to fix the problem and may arrange for the Terminal to be repaired or replaced at our discretion. You must not carry out a Transaction using a malfunctioning Terminal. It is your responsibility to ensure that other means are available, at short notice, to enable you to continue to process Transactions. This may include letting your customers know the location of the closest automatic teller machine.

- a) only use Terminals which we have approved as technically compatible with the systems, Equipment and software used by us for the purposes of our Card Transaction facilities, and in using any such Terminals you will comply with any conditions as to its use which we specify in our approval. - b) allow only us (or our representatives) to maintain, replace (including any upgrades performed by us from time to time) or remove the Equipment;
- c) allow us to upgrade the Equipment as required including when industry or security standards change. If you use a Terminal provided by someone else, you must upgrade it when we tell you;
- d) keep the Equipment secure and under your control, and (unless it is a mobile Terminal) at the premises at which it was installed (or at such other location as is agreed by us);
- e) insure the Equipment against theft, loss, damage, vandalism, fire, flood, earthquake, misuse or neglect, for its full replacement value;
- f) take proper care of the Equipment. You are responsible for any costs incurred in the replacement or repair of the Equipment due to theft, loss or damage (reasonable wear and tear excepted);
- g) not process a Card Transaction without presentation of a Card, or payment enabled device (e.g. phone, smart watch, or wearable device) unless we have given you authority to accept mail and telephone orders from Cardholders or you are an eCommerce Merchant;
- h) not process a Transaction by manually keying details into the Terminal (unless previously agreed by us);
- i) use reasonable care to detect forged or unauthorised signatures or the unauthorised use of a Card;
- j) immediately alert us and your Service Provider, if the Equipment has been damaged, stolen or misplaced or if you suspect that the Equipment has been tampered with;
- k) not modify the Equipment in any way;
- l) ensure your Terminal receives all software updates on time by leaving your Terminal powered on and connected overnight at least once every 30 days.

You acknowledge and agree that ownership of the Equipment, Manuals, Card decals and promotional material we provide you always remains with us or our suppliers, and is not transferred to you. You must not sell, assign or encumber them, nor provide them to any third party. You must not remove any plates, stickers or markers which are used to identify the Equipment and/or the owner of the Equipment. We may, without your consent, give a third party any form of interest in, or security over, the Equipment.

We may at any time replace any Equipment with new Equipment. If we replace any Equipment, we will provide you at least 30 days' notice of any additional amounts payable by you to us. When requested, you must discontinue use of any Equipment that has been replaced. You must also follow our reasonable directions regarding the return or disposal of any Equipment which has been replaced.

The Terminal is supplied strictly to enable you to process Card Transactions (including via a payment enabled device) under the Agreement, and any other kinds of Transactions which may subsequently be regulated by the Agreement.

Your rights in the Equipment do not extend beyond a non-transferable non-exclusive licence to use the Equipment solely for your lawful Transactions in Australia.

4 Processing Transactions.

You must process all Transactions and handle all Card Information in accordance with all applicable Laws, any obligations in the Agreement and any direction of Bank of Melbourne in carrying out activities related to your Merchant Facility.

You must process all Transactions in Australian dollars.

Where you have requested, and we have agreed, to process offline Transactions without real-time Authorisation from the Card issuer, for instance, in Electronic Fall Back Mode (EFB):

- a) you must get prior Authorisation for the total amount of the sale if it exceeds the applicable Floor Limit and when prompted by the terminal;
- b) for all telephone, fax or online Transactions processed through a Terminal, you must get prior Authorisation;
- c) you must not bypass the Authorisation prompt on the terminal or enter the incorrect Authorisation number;
- d) you are responsible for verifying the identity of the Cardholder (for example by ensuring that the signature or any other Cardholder Authorisation is not forged, acquired by fraud or deception, or unauthorised) and that the Transaction is not otherwise invalid (refer to section 8);
- e) you must get additional Authorisation if the final amount exceeds the total Authorised amount. You must also cancel any Authorisations previously obtained that are no longer required.

Please refer to bankofmelbourne.com.au/preauthorisation or your Terminal User Guide for further information about any Pre-Authorisation features for your specific terminal. When processing transactions offline, such as in Electronic Fall Back Mode (EFB) and without real-time authorisation from the Card issuer, you will be held responsible for any resulting fraudulent Transactions or chargebacks.

You must not split a Transaction into two or more Transactions on the same Card to avoid having to get an Authorisation. You will not be in breach of this section by splitting a Transaction in the following instances:

- a) when the Cardholder bills a portion of the Transaction to a Card and pays the remaining balance by cash or cheque only; or
- b) when the goods or services will be delivered or performed after the Transaction date. For example, the first transaction represents a deposit, and the second transaction represents payment of the remaining balance, where this transaction is conditional upon the delivery or performance of the goods or services.

We engage Fiserv to provide Authorisation services for Credit Transactions. If a Debit Transaction using a valid Transaction Card capable of acceptance under eftpos is declined by the issuing Australian bank or financial institution, then we will be unable to recover the value of the Debit Transaction for you and we will have no responsibility towards you or any third party in respect of that Debit Transaction.

Throughout Cardholder contact, you must prominently and clearly inform the Cardholder of your identity so that the Cardholder can readily distinguish you from any supplier of goods or services to you or other third parties. You must also provide notice to the Cardholder that you are responsible for the Transaction, including the goods or services acquired by use of the Card, as well as for related customer service, dispute resolution and performance of the terms and conditions of the Transaction.

You are responsible for ensuring that a Transaction is approved or declined before providing a Cardholder with goods and/or services. We take no responsibility and will not provide compensation where goods or services (including Cash Out Transactions, where permitted) are provided for declined Transactions.

You must only process Transactions in circumstances where you have actually supplied the relevant goods or services to a Cardholder for which the Card was used for payment, unless we have specifically agreed that you may process pre-payment Transactions and the Cardholder has specifically authorised the Transaction being processed earlier.

You will not undertake any Transaction:

- a) representing a refinance or transfer of an existing Cardholder's financial obligation to you (whether or not you consider that the obligation is not collectable); or

- b) as an alternate way of accepting payment due to the dishonour of a Cardholder's personal cheque.

We will send you monthly statements. These may be in electronic format.

Under no circumstances should you request or allow any Cardholder to disclose or store their personal identification number (PIN), CVV, password or other code or information that can be used to access a customer's account, for you to retain. You should only retain a Card if we ask you to do so. Without limiting your other obligations in this section, you will not disclose, buy, sell or exchange a Cardholder's name or Card details to any person.

If there is a genuine business need to do so, you may store the following Card Information:

- a) PANs which have been rendered unreadable in compliance with the PCI DSS;
- b) Cardholder name;
- c) Card expiry date;
- d) extended service code (used for Smart Card processing).

If the genuine business need no longer exists, the relevant Card Information must be deleted or destroyed as per the PCI DSS. You must store Card Information securely such that the information cannot be reasonably compromised.

All Card Information elements not listed are considered to be sensitive authentication data, and you must not store sensitive authentication data after Authorisation. Sensitive authentication data includes any full magnetic stripe, PIN verification or code otherwise known as CAV, CVC, CVC2, CVV, CVV2, PVV, PIN and PIN Block data.

Under no circumstances should you request or use Credit Card details provided via email for payment of the provision of goods or services. If provided, you must not use them for any purpose and must immediately securely destroy these details.

You must not process or encourage Transactions through the Merchant Facility that relate to, or are in connection with, the sale of goods or services that are in contravention of the laws of Australia, the laws of your jurisdiction or the laws of the Cardholder's jurisdiction (including but not limited to the violation of export controls, obscenity laws or gambling laws).

You must never request or store a Cardholder's personal identification numbers, CVV, passwords or other codes or information that can be used to access a Cardholder's account.

We will not be responsible or liable for:

- a) any delay that might occur in the processing of payments or any lost Transactions that might occur where the Merchant Facility is not available for any reason. This includes instances where Cash Out Transactions are not available.

- b) any loss which you may suffer resulting from our failure to credit an Account due to technical or administrative difficulties relating to the banking system used for the transfer of funds. This also includes instances where your Merchant Facility is unable to settle for any reason.

This does not apply where the Merchant Facility is not available or the loss was due to our wilful misconduct, fraud or gross negligence, or the unavailability was caused by our persistent and significant failure to provide the Merchant Facility or perform the Terminal Access Service with due care and skill after you have notified us of the failure in reasonable detail.

We will notify you if you have excessive Chargebacks and/or fraudulent Transactions (or are at risk of exceeding the relevant threshold). You must take immediate action to resolve the issue. Failure to resolve the cause of the problem in accordance with our instructions may result in Chargebacks or non-compliance fines from Card Schemes and the Australian Payment Network (AusPayNet) – which may be passed on to you.

If we reasonably determine that your conduct in processing Transactions may cause loss to you or Bank of Melbourne, we may withdraw or impose further conditions on any authorisation we have given for 'Card Not Present' Transactions. You must follow any such conditions.

If we consider that fraudulent Transactions are occurring through your Merchant Facility, we may take such action as we consider appropriate to minimise any risk to you or Bank of Melbourne, including (but not limited to) taking steps to decline fraudulent Transactions or disabling the Merchant Facility. We may take such action without providing you notice.

You are required to get and hold Cardholder authorisation for all Recurring Transactions and ensure the nominated card is always within current validity periods.

We may authorise you in writing to offer Cash Out Transactions on any reasonable conditions we specify. You must not offer Cash Out Transactions unless we have authorised you to do so, but you need not offer them even if we have given that authorisation.

If we have authorised you to offer Cash Out Transactions, then unless we agree otherwise in writing:

- a) you must offer them only in Australian dollars;
- b) you must offer them only in the case of a Transaction where the Cardholder and Card are present;
- c) you may not offer them in relation to a Credit Transaction;
- d) you must process Cash Out Transactions only using the Cash Out menu or facility on your Equipment;
- e) you must provide the whole of the Cash Out Transaction amount to the Cardholder in legal tender (that is, valid banknotes and coins), and must not withhold any of the value of the Cash Out transaction, other than a surcharge permitted under section 6.

You must provide a Cardholder with a receipt for a Transaction at the completion of a Transaction, except where you have offered the Cardholder a receipt and they have declined to receive it, or the Cardholder has elected to receive the receipt by email or other electronic means.

5 Merchant Choice Routing (MCR).

This section 5 only applies to EFTPOS terminals (and/or eCommerce Merchant Facilities) which offer a Merchant Choice Routing feature.

The Merchant Choice Routing feature enables an EFTPOS terminal (and/or eCommerce Merchant Facility) to route Transactions using Multi Network Debit Cards issued in Australia through the eftpos Network.

Different fees apply to transactions depending on how they are processed (routed):

- a) Transactions routed through the eftpos Network are assessed against the Debit Card Transaction Fee;
- b) Transactions routed through Visa and Mastercard are assessed against the Credit Card Merchant Service Fee.

However, where we charge you a flat rate for contactless and/or eCommerce Transactions (and we activate the Merchant Choice Routing feature and route contactless and/or eCommerce Transactions through a network of our choice) the same fees will apply to the Transactions regardless of how they are routed.

To activate or deactivate Merchant Choice Routing, contact your Relationship Manager or our Merchant Helpdesk.

We reserve our rights to activate or deactivate the Merchant Choice Routing feature in its entirety, with no liability to you. Where practicable, we will provide reasonable notice of activation or deactivation.

Merchant Choice Routing Transactions are capped at the End Amount.

Bank of Melbourne does not at any time guarantee that routing Transactions through the Merchant Choice Routing feature will result in merchant fee cost savings.

6 Surcharging.

You agree to:

- a) charge a Cardholder a price for goods and services comparable to the price you charge for cash for those goods and services; and

- b) honour a Card tendered by a Cardholder for the payment of goods or services to be supplied by you to the Cardholder as per the Agreement.

If you charge a fee for Transactions, you must clearly disclose any surcharges that might apply before processing the Transaction. Any surcharge must be included in the relevant transaction and not processed as a separate transaction. (For example, where a surcharge applies to a purchase Transaction, the surcharge must be added to the amount of the purchase Transaction and must not be processed as a separate Cash Out Transaction.)

When you are providing a sales refund on a Transaction that included a surcharge, the sales refund for that Transaction must include the full or prorated surcharge amount.

You must limit the amount of any surcharge to the permitted amount for that Transaction, as required by the Reserve Bank of Australia.

Before a Transaction is completed, you must allow the Transaction to be cancelled, without the Cardholder incurring any cost after advising the Cardholder of the total Transaction amount.

You acknowledge that Card issuers may, from time to time, change the classification of a Card (i.e. standard or premium) and, as a result, when applying a surcharge rate to a Cardholder, it cannot be guaranteed that the classification of the Card on which you have based the surcharge will be the same as the classification on which you are charged your Credit Card Merchant Service Fee in relation to the same Transaction.

You will pay any fines associated with your non-compliance with Card Scheme surcharging rules.

7 Sale Refunds.

You must establish a fair policy for the exchange or return of goods, re-performance of services, or for the handling of refunds and disputed amounts, which complies with all applicable Laws including the Australian Consumer Law. Subject to the conditions mentioned in this section, you agree to give credit to Cardholders for any refunds for goods and services or disputed amounts (as applicable) using a sales refund Transaction (sale refund) as set out in the Manuals and guides (and not use cash or cheque).

Subject to the conditions mentioned in this section, you may process sale refunds by transferring the amount of the refund from your Account to a Card account. Sale refunds may only be processed to a Card where there was an initial valid Transaction on that Card. A sale refund must not be provided to a different Card, in cash or by cheque. If your Terminal allows sale refunds, the sale refund should be refunded to the Cardholder through your Terminal.

The provisions given below do not apply where the Terminal has been supplied by somebody other than Bank of Melbourne. You should refer to the agreement with whoever supplies the Terminal to you for their requirements (if any).

To process sale refunds via a Terminal:

- a) you must initiate a password; or
- b) for some products, we will provide you with a password which you must change immediately on receipt by calling our Merchant Helpdesk.

You may not process a sale refund using a Terminal unless you enter the password prior to each Transaction.

Where we have issued you with a password, we will not be responsible for any unauthorised sale refunds processed through your Terminal using the password we have issued, except to the extent:

- a) the processing occurs after you have notified us that the security of the password has been breached, or
- b) the processing was caused by the wilful misconduct, fraud or gross negligence of us (including through our officers, employees, contractors or agents).

You will control and be responsible for access to the Terminal sale refunds password. You should change your password if for any reason you think it has become known to persons other than those who you have authorised to complete sale refunds.

We are not responsible for any unauthorised sale refunds processed through your Terminal, even if those sale refunds may cause your Account to be debited by the amount of the Transaction.

If we do not supply electronic Terminals to you, we will not be responsible for any unauthorised sale refunds processed through your Terminal.

8 Invalid Transactions.

A Transaction is invalid if:

- a) the underlying supply of goods and/or services is illegal, or you do not have a valid regulatory licence or authorisation to process that supply.

This includes transactions outlined by Australian Government departments such as the Department of Social Services as Restricted Items where a Cashless Debit Card is being presented.

Transactions with Restricted Items flagged by participating merchants and POS providers will be declined by the Integrated Payment Solution, if;

- b) it was processed by you after your Merchant Facility, or the Agreement was terminated (in accordance with section 27) or whilst it was suspended as per section 34;
- c) the Transaction is split into two or more Transactions on the same Card or over two or more cards to avoid having to get an authorisation for the total amount of the sale (each Transaction will be invalid);
- d) the signature on the receipt (if required) or any other Cardholder authorisation on the receipt is forged, acquired by fraud or deception, unauthorised or otherwise invalid;
- e) the Card relating to the Transaction is not valid at the time of the Transaction;
- f) the receipt presented to us is incomplete or illegible;
- g) the Card was used without the Cardholder's authority;
- h) the Transaction did not originate from an act between you and the Cardholder;
- i) you have not retained your copy of the receipt (including any copy signed by the Cardholder) for 18 months from the date of the Transaction, or if you do not give us the tally roll receipt within 5 Business days of a request by us for production of that receipt;
- j) it is a Credit Transaction and:
 - i. it is not for the supply of goods or services to a genuine customer; or
 - ii. it relates to a transfer of funds, not supply of goods or services;
- k) it was submitted as a Transaction authorised by us, where an authorisation was never obtained from or given by us;
- l) it is a sales refund and:
 - i. no corresponding sales Transaction exists for the Card on which the sale refund is made or appears to be made;
 - ii. it represents the payment of wages/salary;
 - iii. it represents the transfer of funds; or
 - iv. insufficient funds are available in the Account to cover the refund amount;
- m) you fail to comply with all messages displayed on the Terminal in relation to the Transaction;
- n) you are unable to demonstrate the validity of the Transaction to our reasonable satisfaction;
- o) you do not meet your obligations under the Agreement in relation to the Transaction; or
- p) you do not respond to our reasonable request for supporting information, within the timeframes specified by the applicable Rules.

A telephone, internet or mail order Transaction is also invalid if the Transaction is not authorised by the Cardholder, or in the case of a

standing authority, the authority has expired or was cancelled prior to the Transaction. You acknowledge that authorisations you have acquired provide no guarantee that the person providing the Card details is the Cardholder.

We may refuse to accept, or may Chargeback, any Transaction if:

- a) the Transaction is invalid or we consider it to be invalid;
- b) the Cardholder claims the Transaction is invalid or disputes liability for any reason;
- c) you process a cancelled Recurring Transaction;
- d) the Cardholder asserts a claim for set-off or a counterclaim;
- e) the sale amount exceeds the Authorised amount;
- f) the sale relates to an expired Authorisation.

You acknowledge that Chargebacks may be processed to your Account up to 18 months after the date of the original Transaction. You will remain liable for Transactions processed prior to any closure of your Merchant Facility. If there is a Chargeback after your Merchant Facility has closed, we may issue a demand for payment by sending it to the email or postal address, as provided by you, during the term of this Agreement. By doing so, this will be deemed sufficient notice.

You undertake to abide by industry best practices to minimise fraud and chargebacks as set out in the Manuals and guides from time to time.

9 Your Account.

If you request and we agree, you may use one account for settling transactions you process and one for paying your fees and other amounts you owe us (for example Chargebacks). You must advise us of the details of the Account.

We will credit your Account with the amount of the Transactions processed. You must notify us immediately if your Account details change and provide us with a new Direct Debit Authority. In some circumstances (e.g. eCommerce Merchant Facilities) it will be necessary for Transactions to settle to a Bank of Melbourne account. You will be advised of this requirement at the time of application.

You authorise us, from time to time, to debit your Account in respect of:

- a) all service charges, fees and other charges set by us, and which are notified to you from time to time in accordance with section 21;
- b) all government charges, duties and taxes (including GST) that apply in relation to the Agreement;

- c) the full amount of all Sales Refunds you process, minus any charges we have already debited to your Account relating to the relevant Transaction;
- d) any overpayments or credits we have made in respect of Transactions due to errors or omissions;
- e) any Chargeback;
- f) any money paid by us to you for Card Transactions where we are investigating the validity of the Transaction or a suspected Chargeback;
- g) any fees, fines or penalties that we are required to pay to Card Schemes under the Rules as a direct or indirect result of your failure to observe your obligations under the Agreement including any procedures set out in the Manuals and guides;
- h) a Card Transaction not being a valid Transaction or being charged back to us;
- i) our maintenance of the facilities we supply you under the Agreement;
- j) any deficiency in a payment made by you following an audit or a check by us of your Merchant Facility or Account;
- k) all penalties and costs incurred by us as a result of an ADC or your non-compliance to the PCI DSS (including your Service Providers) including but not limited to the cost of all forensic investigations as required by us or the Card Schemes;
- l) any other money you owe us under the Agreement; and
- m) reasonable enforcement expenses under the Agreement, including any amount reasonably incurred by the use of our staff and facilities, in the event of a breach of the Agreement.

If we debit the Account and the Account contains insufficient funds, then the payment may be reversed, and you will be regarded as not having made the payment. If this occurs, you must make the payment to us as soon as possible once we notify you that the payment is required. Although, such notification does not prevent us from attempting the debit again (under this section).

You will pay on demand the amount of any debt you owe us under the Agreement which remains unpaid. Should you fail to pay any debt you owe us, we may commence enforcement action and report your default to a credit-reporting agency, which may affect your credit rating and your ability to obtain commercial finance in the future. We may also set-off any amount due for payment by you to us against any amount due for payment by us to you.

We can also debit or credit your Account with the amount of any deficiencies or charges we establish are payable following an audit or check of your Account.

We may withhold release of the funds in the Account, or withhold or suspend payment of any money that would otherwise be owing to you under the Agreement until further notice, if:

- a) we have reasonable concerns about your solvency (including your ability to pay off your debts or meet your financial obligations);
- b) you are involved in an unusual number of Chargebacks or invalid transactions as determined by us; or
- c) we have commenced but not yet concluded reasonable investigations into any claimed Chargebacks or into the validity of any transactions processed by you.

In instances such as insufficient funds in your Account, we may establish an account in your name for the purpose of exercising our rights, like retaining funds for processing Transactions, Chargebacks, and recovering debts. Please note that other than making repayments of debts due to us, you cannot use this account for your business or personal operating needs including making deposits and withdrawing funds from the account. This account will be closed once it is no longer being used to repay debts due to us.

We may appropriate money you hold in your Account (or any other account you hold with us), towards any and all amounts you owe us under the Agreement. If we do this, the balance of your Account will reduce by the amount used for this purpose. We will notify you promptly after exercising our right to appropriate money in your Account.

You are responsible for reconciling your sales and settlements for all Transactions. If you have any concerns, you must notify us in a reasonable time.

You must reconcile the statements that we send you under the Agreement to ensure that payments to and from your Account have occurred as per the Agreement.

It is your obligation to check the accuracy of all entries on the statements or Account. You must notify us within a reasonable time of any apparent or possible error such as an incorrect fee or amount debited from your Account, or a payment that should have been made to you.

10 Online Access to Information About Your Merchant Facilities.

You agree that if we grant you a logon/s to any online service for the purposes of, but not limited to, accessing electronic copies of statements, transaction listings and submitting service requests to Bank of Melbourne in relation to your Merchant Facilities, that you are responsible for administering and managing access to that service.

We make no guarantee that information available on any online service relating to the Merchant Facility is accurate or correct at the time of viewing. Online services are subject to system

maintenance and availability and to subsequent adjustment of information to reflect the true legal position. That is why users should independently download or record information for their own record-keeping purposes. Merchants can download these reports from their terminal (if the feature is available on their terminal) or contact the Merchant Helpdesk if required.

11 Hotel/Motel Reservation/ Car Rental Guarantee and Advance Deposit.

This section 11 only applies where you have been authorised to accept Credit Transactions to guarantee hotel/motel/car rental reservations and/or advance accommodation deposits.

Mastercard, Visa and UnionPay have each arranged for their members a program that permits their Cardholders to guarantee reservations of hotel, motel accommodation or car rental by telephone (and they can make deposits in advance towards reservations or rental arrangements by using their nominated Mastercard, Visa or UnionPay card).

You agree to:

- a) handle the reservations in accordance with the Rules;
- b) provide details of the charges upfront (e.g. room or rental rate including tax);
- c) honour these reservations in all circumstances;
- d) cancel the reservation and, where necessary, issue a sale refund to the Cardholder if the Cardholder cancels the reservation.

If there is a dispute, you agree to accept a Chargeback where the Cardholder claims they cancelled the guaranteed reservation.

When you process Transactions to guarantee hotel/motel or car rental reservation:

- a) You agree to provide a confirmation code and (if applicable) a cancellation code, and advise the Cardholder to retain these in the case of a dispute;
- b) You must:
 - i. accept all cancellations prior to the specified time;
 - ii. not require cancellation notification more than 72 hours prior to the scheduled arrival or pick-up date;
 - iii. if the Cardholder makes the reservation within 72 hours prior to the scheduled arrival or pick-up date, ensure that the cancellation deadline is no earlier than 6.00pm merchant outlet time on the arrival or pick-up date;
 - iv. if you require that a Cardholder cancel before 6.00pm (merchant outlet time) on the date guaranteed, mail or

- email the cancellation policy, including the date and time that cancellation privileges expire, to the Cardholder;
- v. if the Cardholder has not claimed or cancelled the hotel/motel or car rental reservation by the specified time, you must hold the room or car available according to the reservation until check-out time the following day (or in the case of car rental, 24 hours). You may then complete a Transaction receipt that must contain the following:
- Amount of one night’s lodging or one day’s car rental plus applicable tax;
 - Cardholder’s name, account number and expiration date; and
 - The words “No Show” on the signature line of the Transaction receipt.

You are not required to continue to hold the room or car for subsequent periods where the Cardholder has failed to show by the check-out time the following day (or in the case of car rental, after 24 hours).

You must provide, at no charge, a comparable room or car of at least equal quality. If the cardholder has to change the hotel/motel or pick-up location, you must provide transportation to the alternate establishment and a 3-minute local or long distance telephone call.

12 Pre-Authorisations: Top-Up Using a Visa or Mastercard.

For hotels/motels, motor vehicle rental agencies, cruise lines, hospitality, rental businesses, transportation, passenger railways and bus lines, you may get top-up Pre-Authorisations for additional amounts above any amount already authorised after the check-in or rental pick-up date and prior to checkout or rental return date. You must get prior approval from your customers before any authorisation is made.

An approved top-up Pre-Authorisation does not change the validity period of the original Pre-Authorisation nor the top-up.

For hotels, motels, and cruise lines – the Pre-Authorisation amount can be based on the customer’s intended length of stay at check-in time, and the room rate, including applicable tax(es).

For top-up Pre-Authorisation for motor vehicle rental agencies, refer to section 14.

13 Express Checkout.

This section 13 only applies where you have been authorised to accept Credit Transactions to permit express check out from hotels or motels.

Mastercard and Visa have each arranged for their members a program that permits their Cardholders to check out of your establishment at the end of their stay without conducting the usual “checkout” process in person.

You agree to handle the express checkout Transactions outlined in the Rules. You must retain and make the itemised hotel/motel bill available to us. All disputes will be resolved appropriately, as per the Rules.

14 Vehicle and Equipment Rental Transactions.

This section 14 only applies to merchants that provide rental for vehicles and other equipment including (but not limited to) cars, boats, tractors, trucks, ride-on mowers and planes.

Vehicle and equipment rental merchants may not include charges in the rental Transaction that represent any of the following:

- a) the vehicle/equipment insurance deductible amount; or
- b) an amount to cover:
 - i. potential or actual damages when the Cardholder waives insurance coverage at the time of the rental;
 - ii. additional costs, which include (but are not limited to) parking tickets, traffic violations or vehicle/equipment repairs.

A charge for loss, theft or damage must be processed as a separate transaction from the underlying rental Transaction. The Cardholder must authorise the charge after being informed of the loss, theft, or damage.

A charge for additional costs must be processed as a separate Transaction from the underlying rental Transaction. For additional costs relating to parking tickets or traffic violations you must support the charge with documentation from the appropriate authority including the licence number of the rental vehicle, date, time, and location of the statute violated, and amount of the penalty.

For additional costs relating to vehicle/equipment repairs, you must provide the Cardholder with written confirmation of the damage once the vehicle/equipment is returned. For vehicles/equipment returned using an express drop-off facility, a written confirmation receipt must be sent within 5 Business days. You must provide a reasonable estimate of the cost of repairs and obtain agreement

from the Cardholder prior to processing the Transaction. We recommend that it be a 'Card Present' Transaction and that you verify the identity of the cardholder to minimise the likelihood of Chargebacks. The transaction receipt must include a statement indicating that the estimated amount charged for repairs will be adjusted upon completion of the repairs and submission of the invoice for such repairs.

The final amount of the Transaction relating to the repairs may not exceed the Merchant's Pre-Authorised amount. If the actual cost of repairs is higher than the estimated amount, you must perform a top-up Pre-Authorisation amount. You must also cancel any Pre-Authorisation(s) previously obtained that are no longer required, including if the actual cost of repairs is less than the estimated amount.

For top-up Pre-Authorisations for motor vehicle rental

agencies: the Pre-Authorisation can be based on the cardholder's intended car rental period, the rental rate, distance rates and any applicable tax(es).

The estimated transaction amount should not include charges that cover potential vehicle damages or the insurance deductible amount.

Additional instructions for delayed or amended charges by car rental agencies.

You may process delayed or amended charges if the Cardholder has agreed to cover these. For any delayed or amended charges, you should process as a 'Card Not Present' transaction and forward documentation to the Cardholder.

Where a delayed or amended charge is disputed by the Cardholder, you must provide us with all the required supporting documentation, within our required timeframe, as specified on the chargeback notice.

Traffic violation/parking charges: If the charge is for a parking ticket or traffic violation, please process the transaction to the Cardholder's account within 80 days of the violation or 3 Business days after your payment of the penalty, whichever occurs earlier. You need to hold a copy of the documentation issued by the relevant authority (e.g. police, council).

Rental vehicle damage charges: Process the transaction to the cardholder's account within 80 days of when the damage occurred, or 3 Business days after your payment of repairs, whichever occurs earlier.

Transactions may be successfully disputed if you do not have adequate records (e.g. receipts) of the damage.

You need to hold all the relevant documents including:

- copy of the rental agreement;
- estimated cost of the damages from an authorised repair

company. (The final amount of the transaction relating to the repairs may not exceed the Merchant's Pre-Authorised amount. If the actual cost of repairs is higher than the estimated amount, you must perform a top-up Pre-Authorisation amount);

- police accident report, where applicable;
- documentation showing the Cardholder's consent to pay for damages with the Card;
- copy of your insurance policy if you require the Cardholder to pay an insurance deductible in case of damages.

15 eCommerce Merchants.

This section applies to eCommerce Merchants conducting eCommerce Transactions. If there is any inconsistency between this section and the other provisions of the Agreement, this section will apply, except where the relevant provision of the Manual or guide specifically mentions this section 15.

All Merchants applying for an eCommerce Merchant Facility must follow the Card Scheme Rules and our Website Requirements at all times. Website Requirements are a list of minimum requirements that eCommerce Merchants must follow when accepting Card payments. These requirements and standards must be maintained throughout the lifetime of the facility.

At all times, if you are accepting card payments you are required to safeguard your customers' sensitive payment information and comply with the PCI DSS. If Bank of Melbourne has advised that 3D Secure is a requirement or you choose to enable 3D Secure as a fraud prevention tool, please contact your Accredited Gateway Provider or your Bank of Melbourne sales representative. If 3D Secure is required by Bank of Melbourne as a requirement of approval of your Merchant Facility, ensure all Mastercard and Visa card payments for your products/services are entered by your customers through an operational 3D Secure Merchant Plug In.

You agree to be responsible for all goods and services offered through your Website, all materials used or displayed at your Website, and all acts or omissions that occur at the Website or in connection with your Website.

The URL of your Website must be substantially similar to your trading name and your Website must be designed in such a way that a reasonable Cardholder is able to readily identify it as your Website without any confusion. If you use a Payment Gateway solution other than a Bank of Melbourne-hosted solution:

- a) we are not responsible for the functioning of the Payment Gateway;

- c) you must use a Bank of Melbourne ‘Accredited’ Gateway Provider/data processor. Failure to do so will result in termination of your Merchant Facility;

- d) fulfil customer orders in a timely manner and adequately deal with a customer's warranty or service requirements.

You are responsible for:

- a) ensuring that the connection between your Website and us is operational. We do not warrant that the provision of the services will be continuous, uninterrupted or without errors;
- b) ensuring that your Website is secure as required by the PCI DSS during the exchange of Card Information between your Website and your Payment Gateway; and
- c) ensuring that any Service Provider you engage to participate in the payment process is provided by Bank of Melbourne or is a Bank of Melbourne Accredited Gateway Provider/data processor (details of accredited providers are available on request or at bankofmelbourne.com.au). Inclusion of a Gateway Provider or data processor as accredited is not a representation or warranty by Bank of Melbourne that the particular Gateway Provider/data processor is compliant with PCI DSS requirements and does not limit your obligations under section 24.

When approved for an eCommerce Merchant Facility, any Transactions received from Cardholders relating to the business for which it was approved must be processed using your approved eCommerce Merchant Facility.

Each indemnity given by you under the Agreement is a continuing obligation and continues after the Agreement ends. It is not necessary for us to bear any expense or make a payment before applying the relevant indemnity.

- b) to irrevocably grant us the enduring right to contact any Service Providers that enable you to acquire Credit Transactions, Debit Transactions and Transactions relating to Charge Cards. This is for the purposes of determining the extent of any actual or suspected ADC, assessing remedies for that ADC and assessing your level of compliance with the PCI DSS.

25 The Banking Code of Practice.

The relevant provisions of the Australian Banking Association's banking code of practice (Banking Code) apply to the banking services referred to in the Agreement. This means that we will comply with the Banking Code, where it applies to the banking services provided to you. You provide us with the following undertakings and indemnify us against any potential losses arising from any breach by you of such undertakings;

- a) you will not initiate, engage in, or effect a Transaction that may be in breach of Australian law or sanctions (or the law or sanctions of any other country); and
- b) the underlying activity/product for which the Service is being provided does not breach any Australian law or sanctions (or the law or sanctions of any other country).

27 Termination.

The Agreement commences when you accept our offer in accordance with section 1 and will continue until such time as it is terminated in accordance with this section 27.

You may terminate this Agreement or use of an underlying Merchant Facility by calling us on the phone number in this booklet. Unless such notice is provided, your Agreement (including fees and charges) will continue to apply, even though you may have returned Equipment to us or securely discontinued its use.

It is your obligation to reconcile your Account after termination of this Agreement and notify us within a reasonable time of any discrepancies.

We may also terminate the Agreement or use of an underlying Merchant Facility for the following reasons:

- a) a Merchant Facility does not comply with the Rules resulting in a material breach of the Rules;
- b) we reasonably consider your ratio of Chargebacks to sales, whether by number or dollar value of Chargebacks, to be substantially unusual or excessive;

- d) we have reasonable grounds for concerns about your solvency, or the solvency of your business;

- f) you have a significant adverse credit event recorded against you, such as (but not limited to) when your credit rating is materially impacted due to registering a default, going into external administration, or facing court actions likely to have material adverse effects on your business;
- g) we have reasonable grounds to suspect that you have fraudulently processed Transactions, or have knowingly allowed fraudulent Transactions to be processed through your Merchant Facility;
- h) you or any of your Services Providers are not compliant with the PCI DSS resulting in a material breach of the PCI DSS;
- i) you or any Service Provider that you use has suffered an ADC which we reasonably consider to be significant;
- j) you have, or we suspect on reasonable grounds that you have, breached a material term of the Agreement;
- k) if the merchant is a corporate entity, the company has been deregistered, or we suspect on reasonable grounds that the company is in the process of being deregistered.

We do not have to give you verbal or written notice before we terminate the Agreement or facility on the basis of the reasons listed in (a) to (k) above. However, we will use reasonable endeavours to give you prompt subsequent written confirmation that the Agreement or Merchant Facility has been terminated.

We may terminate the Agreement on the grounds that you have not processed Transactions through your Merchant Facility for a period of three (3) months. Under these circumstances we will advise you, in writing, of our intention to terminate and will allow you a period of 14 days, from the date of our letter, in which to contact us. After that time, we may terminate the Agreement or Merchant Facility without further notice.

Termination will be effective immediately, and we are not obliged to accept any Transactions you process after the Agreement or facility is terminated.

You agree to stop using the Terminal Access Services immediately if this Agreement is terminated. We will be entitled to terminate the availability of the Terminal Access Services to you if that occurs.

To be clear, termination of a Merchant Facility or the Agreement does not affect any obligations incurred prior to termination. Sections 7, 8, 9, 19, 23, 27, 28, 32, 35 and 37 survive termination.

On termination of the Merchant Facility or the Agreement you will immediately return all relevant Equipment, and continue to pay fees and charges (incurred) until the Equipment is returned to us. If the Equipment is not returned to us immediately, as per

this section, you authorise us to enter the premises where the Equipment is kept and take possession of the Equipment without notice to you.

You acknowledge that a “combined terminated merchant file” is a list containing the business name and the names and identification of principals of merchants that have been terminated by acquiring financial institutions. You consent to us providing information about you (and any persons named in your application for a Merchant Facility) to Mastercard, Visa or any other Card Scheme for addition to the file if the Agreement is terminated (this may include sending information overseas). You acknowledge that this information will be available to any member of the Card Scheme(s) and may be used to assess subsequent applications for Merchant Facilities. You indemnify us against all claims, actions, suits, losses, defaults, damages, and liabilities resulting from the inclusion of you or your principals on this file.

28 Privacy Law and Use of Information.

You agree to comply with:

- a) any Privacy Laws by which you are bound; and
- b) any other privacy or confidentiality requirements we have notified you.

You acknowledge that you do not rely on any information or representation supplied by us as advice regarding compliance with the Privacy Laws.

You agree that we may collect information from Card issuers or any Card Scheme about (or relating to) you, the Merchant Facility and/or facilities you acquired or are acquiring from other suppliers – (which together constitutes “your history”). We will collect this information for any purpose we reasonably consider necessary in relation to your Merchant Facility. You authorise us to collect such information.

We may collect, store, use and disclose information about (or relating to) you. This includes information from your application, your history or how you use the facilities, your geographical location (including Terminal geographical location) or transaction information processed using facilities we supply to you under the Agreement. But, the outputs (such as industry insights) of such data analytics will not be disclosed by us to other parties unless they have been subject to a de-identification process or the disclosure is permitted by our terms with you or applicable Law;
- e) process Transactions; or
- f) enable the development, provision, promotion, enhancement or improvement of goods or services (including data products) offered by other parties. But, we will not disclose your information to other parties that we've mentioned here without making sure it has undergone a de-identification process – unless the disclosure is allowed based on our terms with you, applicable Law, or you have consented to it.

The de-identification process referred to in paragraphs (d) and (f) above is a process designed to remove information that can directly identify you, so that you are not reasonably identifiable within the output data or disclosed information.

We may also collect information about (or relating to) you from other parties for purposes described in section 28.

You also acknowledge that transaction information of cardholders is processed using your facilities and you consent to our use and disclosure of that transaction information if permitted by the relevant Cardholder or our terms with that Cardholder. And we are not restricted by the terms of the Agreement for our use and disclosure of that information. This may include uses and disclosures which identify you as the relevant merchant for the transactions, and the disclosures and uses in connection with use of products and services by that Cardholder.

The other parties to whom information may be disclosed as contemplated under section 28 may be located overseas and include:

- a) our agents, contractors and external service providers, mailing houses and data analytics providers;
- b) any person who is a card issuer, Card Scheme operator or involved in any Card Scheme or payment network, or payment ecosystem (for example, Visa, Mastercard, UnionPay, eftpos and card fraud detection agencies). This information may include information about terminating a Merchant Facility and the reasons for that termination;
- c) another service provider who may use this information (amongst other things) to determine whether or not to make facilities available to the merchant;

- d) persons you inform us about that supply services related to your Merchant Facility (including Ingenico, Verifone, American Express or Diners Club);
- e) persons who the Cardholder informs us about that supplies services related to their transactions and/or account;
- f) other companies within the Westpac Group; and/or
- g) other parties as permitted by Law, the Agreement or our Privacy statement which is available at bankofmelbourne.com.au/privacy/privacy-statement

Where any information about (or relating to) you – such as your application information, history or conduct of the facilities, or transaction information (processed using facilities we supply you under the Agreement) – consists of information about any franchise or franchisee related to your business or their officers, shareholders, directors, then you consent and confirm that each of the persons mentioned above consent to our use and disclosure of that information in accordance with these terms. This is in addition to any other uses or disclosures covered by our privacy statement which is available at bankofmelbourne.com.au/privacy/privacy-statement or any other associated privacy notice.

In addition, you acknowledge that information referred to in section 28 may include personal information, and where the term 'personal information' is used in the Agreement, that term is as defined by the *Privacy Act 1988* (Cth).

Nothing in section 28 restricts us from using or disclosing information about (or relating to) you that is not confidential information or personal information.

Our rights under this section 28 continue after the Agreement is terminated.

The products and services offered may be provided by us or one of our third-party partners. 30 Notifying Us of Changes.

You must:

- notify us within 14 days of any changes in your company, trading name, address and/or DGR Status. You can do this by calling us on the phone number in this booklet or writing to us at the address in this booklet.
- notify us within 4 Business days of any changes to your address (email or postal) or phone number(s).
- continue to notify us of any changes for a period of 12 months after the Agreement is terminated for any reason. We will not be responsible for any errors or losses where we have not received adequate prior notice.

You must not substantially change your line of business, or the types of goods or services that you supply to your customers or clients, without first notifying us and receiving our written consent.

In addition, you must notify us immediately if the ownership or control of your business (including any delegation by way of power of attorney) or your ability to meet liabilities as and when they fall due changes. The new owner will need to apply for a new Merchant Facility with us if they wish to continue using our merchant services.

31 Charge Cards.

We may program the Terminals to accept Transactions by a Charge Card issued under a Charge Card Scheme in which you participate. You must inform us in writing of your merchant number for that Charge Card Scheme.

Our only obligation to you in relation to any Charge Card Transaction conducted through a Merchant Facility is to transmit the details of the Transaction to the person, body corporate or association conducting the Scheme under which the Charge Card was issued.

We make no representations and give no assurances in relation to:

- i. the creditworthiness of any person presenting a Charge Card;
- ii. the performance of any agreement or arrangement between you and any person, body corporate or association conducting a Charge Card Scheme; or
- iii. settling the funds in relation to those Charge Cards to your account.

32 Third Parties.

You will not process any Transaction on behalf of any third party without our prior approval.

We may pay a fee or commission to a third party who introduces you to us, including in connection with an agreement, or renewal, extension, or variation to an existing agreement.

33 GST.

We may increase the amount ("original amount") of any fee or other consideration payable by you under the Agreement which has not been specified to include GST. This will ensure that the total amount payable by you is equal to the original amount plus the amount of any GST payable by us on the total amount.

You must pay us, as instructed, any amount which we decide to be necessary to reimburse us for any direct or indirect increase resulting from any GST cost to us.

34 Suspension.

We may suspend the facilities we supply to you under the Agreement without notice to you if we:

- a) consider that we could suffer a loss as a result of your Merchant Facility continuing to operate;

- b) think we could be subject to fraud if we continue to supply the facilities;
- c) become aware of an event listed in section 27 that gives us the right to terminate the Agreement or use of an underlying Merchant Facility;
- d) after a reasonable number of attempts to reach you we are unable to contact you to discuss a matter relating to the use of your Merchant Facility.

We will inform you as soon as possible after we suspend your facilities under this section.

While the facilities are suspended, we will not process any Card Transactions you submit.

You agree:

- a) to get our prior written consent before using Westpac Group's Trade Mark;
- b) to comply with our Trade Mark use guidelines or directions provided to you from time to time;
- c) not to take any action which will adversely affect the value of the goodwill attached to the Trade Marks and/or our business.

As you are approved to accept Card Transactions:

- a) we grant you revocable non-exclusive, non-transferable sub-licences to use the respective Card Scheme Trade Marks in connection with the operation and promotion of Card transactions and accounts and/or other services associated with them (based on your compliance with the terms of the Agreement, Manuals and guides);
- b) you acknowledge that the respective Card Schemes own the Trade Marks and your right to use the Trade Marks does not confer any proprietary or other interest in the Trade Marks during or after the termination of the Agreement;
- c) you agree to comply with any Trade Mark requirements set out in the Manuals or guides from time to time. You must not use the Trade Marks in a manner that is inconsistent with or detracts from any branding, Trade Mark requirements or marketing messages of the respective Card Schemes.

This sub-licence to use Card Schemes Trade Marks:

- a) will be cancelled immediately on termination of your Agreement with us; or
- b) may be cancelled immediately by us with a written notice to you. Once you receive this notice, you agree to immediately stop using all Trade Marks and destroy all materials and items that include the Trade Marks.

You indemnify us for claims and demands made against us (or have been borne by us) arising directly or indirectly out of your use of branding and/or the Trade Marks where such use is in breach of the Card Scheme Rules.

36 Personal Property Securities Act (PPSA).

If we determine that this Agreement (or a Transaction in connection with it) is, contains or creates a Security Interest for the purposes of the PPSA, you agree to do anything (such as obtaining consents, signing and producing documents, arranging for documents to be completed and signed and supplying information) which we ask and consider reasonably necessary to:

- a) perfect any such Security Interest or to provide more effective security over the Equipment or any other personal property over which we have a Security Interest;
- b) to ensure that a Security Interest created under or connected with this Agreement is enforceable, perfected (including, where possible, by control in addition to registration) and otherwise effective;
- c) to enable us to apply for any registration, or give any notification, in connection with any Security Interest created under or connected with this Agreement, so that the Security Interest has the priority we require;
- d) to enable us to exercise our rights in connection with any Equipment or any other personal property over which we have a Security Interest;
- e) to bind you and any other person intended to be bound under this Agreement; or
- f) demonstrate your compliance with this Agreement.

You agree:

- a) that we may complete any document on your behalf relating to this Agreement (such as Corporations Act forms, *financing statements* or *financing change statements*);
- b) that we may, at your expense, apply for any registration, or give any notification, in connection with any Security Interest created under or connected with this Agreement and for whatever class of collateral we think fit. You consent to any registration or notification by us, and agree not to make an *amendment demand*;
- c) not to register a *financing change statement* in respect of a Security Interest created under or connected with this Agreement without our prior written consent;
- d) not to register, or permit to be registered, a *financing statement* or a *financing change statement* in relation to any Equipment in favour of a third party without our prior written consent;

- e) that we need not comply with sections 95, 118, 121(4), 125, 130, 132(3) (d) and 132(4) of the PPSA, or any other provision of the PPSA we have notified you of, after the date of this Agreement;
- f) that you may not exercise any rights under sections 142 and 143 (reinstatement of security) of the PPSA;
- g) that neither we nor any receiver (or receiver and manager) appointed by us needs to give any notice required under the PPSA (including a notice of a *verification statement*); and
- h) that you will not disclose or allow any party to disclose any information of the kind referred to in section 275(1) of the PPSA unless section 275(7) (b) or (e) of the PPSA applies.

In this section 36, terms in italics have the meaning given to them in the PPSA.

37 Assignment.

This Agreement is binding on the parties, their executors, administrators, successors, and assignees.

Where you are two or more persons, your Obligations under this Agreement will be joint and several.

You may not assign this Agreement to any other person without our written consent, which will not be unreasonably withheld. We may at any time, by giving you no less than 30 days' prior notice, assign our rights or novate our rights and obligations under the Agreement.

We may also transfer our interest in the Agreement or give another person an interest or security in the Agreement without getting your consent. You appoint us and any person authorised by us to be your attorney to sign any document or do anything necessary to effect the assignment, novation, or transfer mentioned in this section.

38 Our Liability is Limited.

Any Terminal provided by us under this Agreement will be of acceptable quality. Otherwise, and except for any guarantees, conditions, rights, or warranties that are implied or imposed by law in relation to the Agreement (and which may not legally be excluded –for example, under the Australian Consumer Law where it applies), we give no guarantee, warranty, or representation in respect of any particular Transaction, or Terminals, and all other terms, conditions, or warranties (whether expressed or implied) are excluded.

You acknowledge that our liability for breach of any condition, right or warranty (for example, the mandatory consumer guarantees under the Australian Consumer Law where it applies) that cannot be excluded from the Agreement by law is limited at our discretion

to the replacement or the repair of the Terminals, or the re-performance of the Terminal Access Service.

This limitation only applies to the extent permitted by law and regardless of whether we or any of our officers, employees, contractors or agents may be aware of the likelihood of such loss or damage, we will not be liable whether in contract, tort (including negligence) or otherwise to you or persons making a claim through you for:

- a) special, consequential or indirect or incidental loss or damage of any kind (including exemplary or punitive damages); loss of business, profits or income whether actual or anticipated;
- b) any disruption caused by:
 - a malfunction of a Merchant Facility; or
 - any period when the Merchant Facility is unavailable, or you are waiting for a replacement Terminal;
- c) any unauthorised access to your eCommerce Merchant Facility;
- d) any delay by us in crediting your Account;
- e) our failure to credit your Account due to technical or administrative difficulties relating to the banking system used for the transfer of funds; or
- f) termination of the Terminal Access Services in accordance with this Agreement.

However, this limitation does not apply to loss or damage:

- g) caused by wilful misconduct, fraud, gross negligence, or breach of a Banking Code obligation to act fairly and or reasonably, by us (including through our officers, employees, contractors or agents);
- h) to the extent it is caused by a persistent and significant failure by us to provide the Merchant Facility or perform the Terminal Access Service with due care and skill, after you have notified us of the failure in reasonable detail.

This section applies whether or not we or any of our employees, contractors or agents are aware of the likelihood of such loss or damage.

Limitation of liability for Integrated Payment Solutions.

If you hold an Integrated Payment Solution, this section applies:

- a) The implementation of an Integrated Payment Solution may affect either party's technology or systems (**IT**). To the extent permitted by Law, neither party will have any liability to the other (or any persons claiming through the other) whether in tort, contract, statute or otherwise (including as a result of the negligence of the party its employees, agents and subcontractors) arising out of, or in connection with any loss or damage caused by one party to the other party's IT or any lost or improperly processed data.

- b) You acknowledge and agree that as an Integrated Payment Solution involves connection between the Integrated Payment Solution and a third-party point of sale solution (**POS**), we are not responsible for ensuring, and we do not guarantee that such connection will be uninterrupted, operate without delay or be error-free.
- c) To the extent permitted by Law, we will not be liable whether in contract, tort (including negligence) or otherwise to you or persons claiming through you arising out of or in connection with:
 - i. any malfunction or unavailability of the connection between an Integrated Payment Solution and the POS, or of the POS itself; and
 - ii. any errors or inaccuracies associated with data communicated between the POS and an Integrated Payment Solution including any processing of such data as part of a transaction.

However, this does not apply where this was caused by our wilful misconduct, fraud or gross negligence.

- d) You are responsible for ensuring that the connection between the Integrated Payment Solution and your POS is operational and properly functioning at all relevant times.
- e) Through your use of the connected POS, you will be initiating and permitting transfers of data between your POS and the Integrated Payment Solution. Despite section 28, in addition to permitting us to receive, send and use this information, we may also disclose and obtain information about or relating to you (and that is relevant to the services provided under this Agreement) directly to and from the POS provider.
- f) We are not responsible for the data once it leaves the Integrated Payment Solution.
- g) We do not guarantee or endorse the products and services of the POS provider.
